

Audrey Schachet

May 2, 1931 - August 26, 2023

Audrey Schachet (nee Weimann) died peacefully on August 26, 2023, in Chesterfield, MO, at the age of 92. Audrey was preceded in death by her husband of 62 years, Eli Schachet. She is survived by her daughter Deborah Paulsen (husband Steve), son Michael Schachet (wife Jennifer), daughter Linda Greve, and daughter Carol Schachet (wife Anna Holzhauser), seven grandchildren and two great-grandchildren, her sister Elaine Spiecker, and her niece Nancy Spiecker.

Raised initially in Yonkers, NY, Audrey moved to St. Louis where she graduated from Brentwood High School. She went on to study at the University of Colorado Boulder, where she met Eli, and graduated from Memorial Hospital School of Nursing in Phoenix, AZ, with advanced courses in nursing with a specialty in clinical psychiatry.

After living in several other locations, the couple eventually settled in St. Louis, MO, where they raised their four children near Audrey's parents. Audrey spent countless hours in the bleachers or sidelines, cheering on her children; volunteered with the American Cancer Society; loved to travel with her long-time friend Mary Lee Timmerberg; and enjoyed swimming up until her last years. Audrey will be remembered for her easy laugh, exuberant kindness, practical no-nonsense approach to life, and eagerness to help others.

In lieu of flowers, donations can be sent to the St. Louis Zoo.
