January 20, 1957 - August 4, 2021

Brenda Louise Hofer (nee Mudd) Wednesday, August 4, 2021

Beloved wife of Richard Hofer for 43 years; loving mother of Kimberly Littrell, Jennifer (Paul) Filkins, and Stephanie (Clinton) Kopp; cherished Gigi of Lillianna Littrell, Philip Minkah; Paul and Amanda Filkins; and Thomas, Richard, and Isabella Kopp. Dear sister of Sam Mudd; dear aunt, great aunt, cousin and friend to many.

Brenda loved and cherished her family and friends. She was the proud host of many family get-togethers and ensured no one ever left hungry. She was the one who wanted everyone to feel welcome and cared for. Brenda was full of life and energy, always was on the go. After 40 years of faithful service with Boeing, she retired with the ambitious plans to travel anywhere she could. Trips and excursions with friends and family were her passion and pursuit after retiring.

As the wife of Richard for 43 years, she loved her husband dearly, and with him had three beautiful daughters that later on in life gave her seven wonderful grandchildren. To these kiddos, she was their beloved Gigi. Brenda, will be truly missed and will forever be in our hearts.
