July 28, 2000 - September 20, 2024

Christopher was a graduate of Rossman School (2013), Chaminade College Preparatory School (2019) and was attending Florida Atlantic University. Known for his radiant smile and magnetic personality, Chris had a natural gift for connecting with others. His passion for sports was a significant part of his life, whether he was playing football, lacrosse, basketball, baseball, swimming, diving, golf, or later in life, exploring rock climbing and snowboarding.

A diligent worker, Chris took great pride in his cooking skills, making dinner for his friends on Sunday nights. Beyond his talents, he was a supportive friend to many in the recovery community. His kindness, enthusiasm, and love for life left a lasting impact on all who had the privilege of knowing him, and his memory will forever be cherished.
