“ I'm Jake's second cousin, my names Parker Strunk and I remember going over to his house when I was 7 or 8 years old and we played video games for a house or to and we got board with it so we did a few other things for a little bit and the we never told his mom but we opened the window in his room and he was on the second flour and had some roof out of his window and we sat on the roof four a hours just talking and looking at the woods he had in his back yard. And that's one of the many memory's I had with Jake.
