

Marilyn Anita Henske

July 27, 1942 - November 9, 2023

We are heartbroken to announce the Earthly departure of our beloved mother, Marilyn Anita Henske, who left us November 9th, at the age of 81. She passed away peacefully, in the company of beloved family. Marilyn is survived by her children, Andrew, Andrea, William, Angela, John, and Joseph, and her grandchildren Andrew, David, Mallory, Hanna, Elise, Jordi, Willa, Joseph, Katherine, William, Caroline, James, John Michael, and Mary Grace. Marilyn began her extraordinary life under the auspices of a quaint North St. Louis neighborhood in 1942. Her mother and father, Eugenia and Victor were hardworking children of Polish immigrants-an upbringing that would have a deep impact on her strong desire to maintain and observe time-honored family traditions. Marilyn Panus attended Quincy College, where she met the love-of-her-life, and future husband Andy. Though she gained many accolades and changed many lives as a grade school art teacher at Rohan Woods, her most celebrated role was that of a generous, caring, thoughtful, and understanding mother to six children-all with unique and contrasting interests. She knew how to embrace our differences, foster our curiosity, and satisfy our pursuit of knowledge. Marilyn's warm reach extended far beyond the human realm, as she was quite the curator of local wildlife in her backyard Eden. Mom was always selfless, giving, and will be sorely missed by all of the lives she touched.
