“ First of all, Mark and I were birthday buddies, sharing July 18th as our birthday. Every year, we took turns calling each other to wish each a happy birthday. That thought will always be on my mind from here on, on July 18th.

Another day I will cherish, was a day a couple of years ago, when out of the blue, Ark called me to see if I wanted to go check out an investment opportunity, Tribeca Apartments. I thought it was so cool that out of all the people he could ask to go, or just go alone, he asked me! We also went to lunch at Shake Shack, which I had never gone to, and he told me about his life, career etc. Found out he owned the Pasta House on Ballas/Olive. That was cool because we had been there many times. I may have seen Mark long before we actually met???

When we had financial appointments we always talked about so much more, always having a great time! I will sorely miss my good friend!
