

## Mary G. Carr

January 30, 1931 - February 5, 2023

Mary G. Carr of Ladue, Missouri  
February 5, 2023

Mary G. Carr at the age of 92, passed away on Sunday, February 5, 2023, surrounded by her family. Beloved wife of the late A. Wimmer Carr; cherished mother of Sarah Carr Mudd (Gerard); dear "Nani" to Mary "Mimi" Mudd and Gerard Mudd II (fiancee, Brittany Cassidy).

Mary was a devoted wife and mother, loving grandmother, and loyal friend. She was stylish, smart and an accomplished real estate agent for over 30 years. Mary loved being busy and involved. She was an early volunteer at Sign of the Arrow, where she developed her love for needlepoint. Friends and family often asked her to help finish a project they had begun but could not complete. She enjoyed spending time with her Pi Phi bridge group of more than 50 years, being an active member of The Wednesday Club and Central Presbyterian Church as well as several syndicate groups. Traveling to Naples, Florida in the spring was a highlight of her year as was spending time with her family.

During the last year and a half, Mary resided at McKnight Place Assisted Living, where the staff took loving care, and she made wonderful friendships--she was an avid reader, needlepointer and always looked forward to Saturday

Bingo! Her quick smile and sharp wit will be greatly missed.

Services: A Service will be conducted in the Chapel at Bellerive Gardens Mausoleum, 740 N. Mason Rd. on Friday, February 10, at 2:00 p.m.
