

Phyllis A. Fischer

July 26, 1958 - December 3, 2024

Passed away on Tuesday, December 3rd, 2024.

Beloved daughter of the late Charles G. Fischer and Vera L. Fischer (nee Eggers); loving sister of Ellen (Steve) Frye; adoring aunt of Emily (Erik) Henriksen, Eric (Erin) Frye, Martin Frye and Robert Frye; cherished great aunt of Sunny and Vera Henriksen and Charles and Miles Frye. And as Phyllis would say “I have a lot of family,” she had numerous cousins and friends. She delighted in reciting family members birthdays and states where they lived.

Phyllis’s dearest friends included housemates who lived with her in homes staffed by wonderful and loving caregivers from Ablelight, (formerly known as Bethesda Lutheran Communities) for nearly 39 years!

Phyllis always kept her word search puzzle books nearby. She had fun bowling, going to Cardinal baseball games and to dances, especially the Pujols Prom. She worked in production assembly at Heartland Industries for 38 years.

Her sweet disposition touched everyone she met. Known as the world’s best hugger, her love was contagious and disarming.

As the dementia that manifests in everyone with Down’s Syndrome

progressed over the last year, she moved to The Gietner Nursing Home, but still seemed happy and content, greeting fellow residents and the caring, attentive staff with her tender words, "I love you!"

SERVICES: Visitation will be held at KUTIS AFFTON CHAPEL (10151 Gravois Rd., 63123) on Wednesday, December 11th from 9:00 – 11:00 AM, with the funeral service beginning at 11:00 AM. Interment at Bellerive Gardens Cemetery.
