

Susan F. Kalthorn

February 7, 1945 - April 25, 2021

Susan was born in St. Louis, Missouri and was the daughter of Harry and Jessie Keim. She passed away on April 25, 2021 in Cincinnati, Ohio.

Susan had four clear priorities in her life, First, her Catholic faith, inspired by the Monks of St. Louis Abbey. Second, her husband of 54 years, Gene. Her third priority was her four children: Christopher (Kay), Jennifer O'Donnell (Kevin), Stephen (Rebecca) and Timothy (Rebecca) and her twelve grandchildren. Being a successful mother and grandmother created meaning for her life. Her fourth priority was years of volunteer fundraising, primarily focused to the benefit of The St. Louis Abbey and the Mary Jo Cropper Family Center for Breast Care.

She was a graduate of the University of Missouri – St. Louis in sociology and education. She enjoyed French culture and was fluent in French, and she enjoyed many family trips to Sanibel Island.

Susan is survived by her sisters, Therese Becherer (Robert) and Laura McGuire (Richard) and several nieces and nephews. She was the President and founder of Performance Automation, a machine vision quality system integrator.

A private funeral mass will be at St. Louis Abbey on Friday, May 7th at 9:00 am, where Susan is a Confrater, followed by interment at Bellerive Gardens Cemetery. Donations may be made to St. Louis Abbey.
